“The enemy isn’t -

CONSERVATISM.

The enemy isn’t -

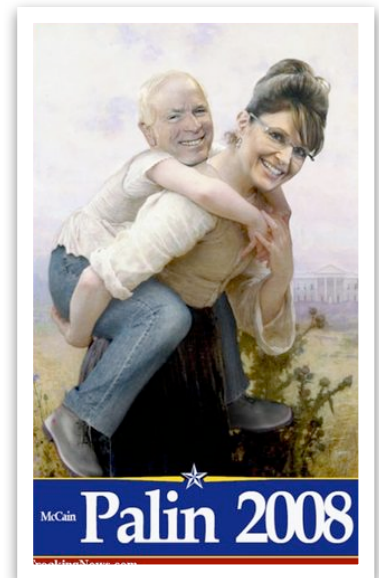

LIBERALISM.

The enemy is -

BULLSHIT”.

Lars - Erik Nelson

Who’s on your political radar screen this election? The good news is in ‘09 they won’t be playing “Jail to the Chief”. We also will not have to say the pledge “One Nation Under Clod”. Nothing personal, but isn’t Bush the “Errorist”? The outcome of this election means if you’re a Republican you’re going to get kicked by an Ass - If you’re a Democrat you’re getting screwed by an elephant. Either way, it hurts. We’ll all be singing “It’s My Party and I’ll Cry If I Want To”. On the News front the war on the middle class is going well. No child left be-

hind? Did they go to Iraq? Roe vs. Wade is Washington’s brilliant idea on how the people of New Orleans can get out of town. McCain

wants to bomb Obama, Obama wants to Barack attack McCain. We really don’t know if a Bush is being supported by the governer of Alaska and Biden couldn’t win the primary which qualifies him for vice president. GO FIGURE. Please remember...

“friends don’t let friends vote drunk”.
